It is with great pride that the 1963 Eagle is dedicated to a person who in the short time of two years has given much time and effort to the success of the school and its student body.

In his attitude of friendliness toward the students and faculty he has gained the respect and admiration that is due only to a man such as he.

Therefore in appreciation for his guidance, concern and understanding ways, we the '63 Eagle Staff, dedicate this yearbook to DR. L. A. YATES, Principal of SFA.
